SMOKE SIGNAL

From the Manager's desk...

Smoke Signal

Hope everyone had a wonderful Thanksgiving. Mary Shumway and crew did a great job again this year. Turkey was tasty and no lumps in the gravy. I have trouble with 1 turkey let alone 16.

I am happy to announce that on November 18th the Casa Grande City Council approved the zone change to the sports area. Earlier they approved a new building for more activity space. Thank you to all who attended the zoning and planning meeting. Final approval came on November 18.

The Veterans Day Program was a success. Job well done to Sue and her staff for putting on a great program.

Please do not forget to call the park host 2777 or 520- 876-2777 when you call 911. They will meet the ambulance at the gate and escort them to your site. This will save valuable time. You should have a list of all drugs the person you called about is taking. Keep the list in a place you can get to quickly.

Be sure and decorate your site for the holidays, not only will it put you in the mood for Christmas, but the park is offering prizes again this year. Ballots will be in your mail box. This year we will have 2 categories best Park Model and best RV. Bring your ballots to Activities no later than Friday December 20th. Prizes will be given out on Christmas Eve at the Christmas Eve Party.

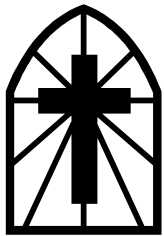

The office will close at 12pm on Christmas Eve and all day Christmas Day.

This is a great time of year to check the batteries in your smoke and carbon monoxide alarms.

Steve and I along with the staff want to wish you all a very Merry Christmas and Happy New Year.

This park is like heaven to us so please do not drive like hell through it.

Sundance thanks Doug's Laptop for uploading the Smoke Signal to our website.

Sunday Worship & Fellowship...

Sunday Worship and Fellowship Church service is at 8:30 AM each Sunday in the Hole-in-the wall. Pastor Scott Bailey will lead us in worship again this year. Communion is held the first Sunday of each month. Coffee will be provided before Sunday services..

We will be asking the wonderful people who helped with buying gifts for the children we have adopted in the past to help with the children names on the Angel Christmas tree in the activity office.

We are asking all of the wonderful folks who attend church at Sundance help with a season long food drive, by bring cans of food items to the activity office for the Casa Grande food bank.

As in the past we have bought supplies for the school district nurses. This was done at the end of the school year before we left in April. This is done twice a season. We will still be doing this.

As in the past years, this year we are having our school children's underwear drive. Sizes are girls 6-16 or small ladies sizes, boy's sizes 6-16. Drop off site is in Activities. If you have any questions ask the host on duty, call me, or drop by my site (267).

We will be having two ice cream socials for all of the great folks here at Sundance. The first ice cream social will be on Sunday, January 12 2014, hours are between 1-4, second ice cream social will be on Sunday, February 23 2014, hours are 1-4,

To all of our Sundance families in January we will be holding a toy drive for Casa Grande Hospital Childrens wing. so please watch for toys in the after Christmas sale. (Books, dolls, trucks, cars, stuffed toys, games, etc) These toys are given to children who are in the hospital to make them feel better. Drop off toys in January will be at church each Sunday and at sight 267.

We will no longer be have a clothing drive in February. Please take unneeded items to Good Will..

Have a wonderful Christmas and Happy New Year

DARTS...

"Darts" meet Tuesday and Thursdays at 4 pm in the Hang Out Room. There are three rules for playing darts, (1)-bring darts, (2)-bring food, (3)-have fun. The first two are optional.

Warning --- if you like it quiet while you are playing darts, you may want to wait until summer to play. Hope to see you there!

Larry Shumway #580

The Gate...

Thank you to all the volunteers who take time out of their week to work at the gate. This helps in guiding guests and vendors around the park. It is also important to have someone at the gate to meet new arrivals and direct them to the host, especially on weekends when the office is closed. If you would like to join us please sign up in the activity office or contact me.

Laurie Biberdorf #271

FROM THE SALES CORRAL....

We have the best selection of pre-owned homes available as well as SPECIAL OFFERS on the Sundance Rental units and 2013 Cavco units.

Stop by and talk to our Sales Team to check them out!!

Steve Shepard
Rental and Sales Manager

RC Cars...

The RC Car oval track, on which we had significant construction performed last season, seems to have weathered the summer well. Early arriving members have prepped the track for this season by dragging / grading it, heavily watering it, and packing the surface with vehicles.

Now it must dry and harden in the Arizona sunshine.

As of this writing, we feel that it will be ready for racing beginning Monday afternoon November 18th, barring any rain.

We already have one new member, with another arriving in January, plus a returning racer who has been absent for two years.

We expect that we will be 14 or more racers by Christmas, with a few more arriving after the New Year.

All Sundance residents are welcome to come out to watch racing, Mondays and Wednesdays from 3 until 5 PM.

We are located in the recreation area, just east of the shuffleboard courts.

New members are always welcome, you can try a car, we offer free advice, and would love to have you join us.

All cars are electric, so no noise is created for the park residents or our neighbors.

Town Council News.....

Town Council had their meeting on November 13th. News on upcoming projects from Management have been approved by Casa Grande Planning Commission, with a great turn-out from park residents. We are now waiting for CG Town Council to give us the stamp of Approval. After approval, then Fences, New Gate, Pickle Ball Courts, etc., can begin near the Shuffle Boards & Horseshoe area. New Building for Crafters will begin next year, sometime after April 2014. Airebeam is working on improving service in the Park. Town Council is wanting to know who is qualified or certified in CPR, First Aid and D-Fibulator. Host on Duty is carrying this on his golf cart. Town Council Members will have pictures posted in Activities for park members to get to know your council. (Bob Hurst, Dennis Bohl, Mike Hardy, Chris Knapton, Sally Sawhill, and Donald Clunie).

Please submit Suggestion/Comments form. Box is by the Mail Room, just outside of the office. In order to receive a reply, you must include your site number and a signature. Residents help us make this a safer place for all. New stop signs have been added. Please STOP at them and let's control our speed in the Park. Let's all do our part and remind our contractors of speed limit too. Vacancy was created in Town Council as Shari Seidel moved out of the park. She will be missed on Town Council. She did a great job. Awarded the New Secretary was Dennis Bohl. Awarded Chairman was Bob Hurst. A copy of minutes is posted in Activities.

Dennis Bohl , TC Secretary.

Ceramics...

The Ceramics shop is up and running with several projects already completed. There is a lot of greenware available to pick from. The shop is open Monday through Friday from 9:00 to 3:30 and there is everything you need to do a project. We have been doing some glass slumping which is new to the shop. There are also some finished projects, so come in and check it out.

There is a small fee to use the room which is \$1.00 a day or .50 for 1/2 a day. A better deal is \$30.00 for the season and you can come and go as you please. We are fortunate to be able to go to the Senior Center and pour—there are lots of molds to pick from.

Some of us have taken a class in Horsehair application. Come in and see the beautiful pieces. There are classes available at Country Ceramics which is located in Queen Creek. For more information, stop in the Ceramics shop.

Sundance Parkflyers...

Welcome back everyone. Several Flyers are out most mornings, trying to remember the things we forgot over the summer. With October coming to an end, there should be more flyers arriving. Attention Everyone!

What are you allergic to? If nothing congratulations!

However, if you have allergies you know how bad they can make you feel! As we all get older our sense of smell is greatly affected especially by things that we all used to love. Remember how romantic aftershave on your man or perfume on your lady made you feel!

WELL not anymore. Many of us in the park get headaches (yes actual ones) or WORSE from the chemicals in the perfumes, lotions, soaps, etc. We also are affected by any fragrances, even from flowers! Please, if coming to any public room, do not use scented lotions, aftershave, perfumes etc. as you never know when you'll be asked to kindly wash it off. We love you but your fragrant smell is killing us! Remember if you have used it for a long time, you can't smell it on yourself but others can smell you as soon as you arrive and long after you are gone!

Happy go Lucky Singles...

We are meeting every Sunday at 2PM in the Gamblin' Room except the 3rd Sunday of the month. Hope you can join us! Bonnie Longhenry #651

Sundance Softball...

Welcome back players and fans. Another exciting year is underway with Sundance Softball. If you are new to the park and interested in playing ball, please contact any player or director or use the sign-up sheet in the activities office. Play has resumed for the fall league at Palm Creek with ball on Mondays and Thursdays. Sundance has one team in the fall league. The winter league will have ball played on Tuesdays and Thursdays at Palm Creek with Sundance having two teams. Schedules will be posted in the activities office. The players enjoy having fans come out to support them, so come on out and bring along a friend. We'll try to make all our games fun to watch. Again this fall, there are 4 Sundance players playing over in the Florence league every Tuesday. A double header will be played at 10:00 and 11:00 as this year there are only 4 teams over in Florence. The players extend a VERY MERRY CHRISTMAS to all.

Ed Kells #285

Relay For Life....

I want to remind everyone why we have a Relay For Life team. About 1,660,200 new cancer cases are expected to be diagnosed in 2013. About 560,300 Americans will die from cancer which is 1,600 people a day. Cancer is the second most common cause of death in the USA. Relay For Life helps bring awareness and help raise funds for work that American Cancer supports.

Our next raffle will be for a Sundance 1 RV Resort jacket from current supply in Activities. Tickets are \$1.00 or 6 for \$5.00 and are on sale in Activities and at Monday morning coffee. We will also have new luminaria bags and cancer awareness bracelets for purchase. THANK YOU for the generous donations!

December 15th from 10:00 AM – 3:00 PM will be our car show. We will be selling hot dogs, hamburgers, and sodas. We are hoping for a beautiful day with lots of fun. Please attend and vote on your favorite car!

If you wish to join or help our Sundance team you can sign up in Activities or go to www.relayforlifeCasaGrandeAZ.com and look for Sundance RV. If you need help signing on let me know. Looking for any one that can help out for a great cause.

Motorhome Flowers...

A man from North Carolina had a flat tire, pulled off on the side of the road, and proceeded to put a bouquet of flowers in front of the motorhome and one behind it. Then he got back in the motorhome to wait. A passerby studied the scene as he drove by and was so curious he turned around and went back. He asked the fellow what the problem was.

The RVer replied, "I have a flat tire".

The passerby asked, "But what's with the flowers?"

The North Carolina RVer responded, "When you break down, they tell you to put flares in the front and flares in the back. Hey, it don't make no sense to me, neither".

Genealogy....

Sundance 1 Genealogy Group meet the 1st and 3rd Wednesday morning at 10:00 in the card room.

Meetings for December are:

December 4th-- Research and Preserve Old Photos

Dec 18th---Research old Newspapers

If you look on your calendar you will see that the 1st Wed of the month in January is New Years Day so we will not be meeting at that time. Our tentative plans are to get together to car pool up to the Mesa LDS Center on the next Monday the 6th of January. The Mesa LDS Center is the 2nd largest genealogy center in the US and we always enjoy going up there. This will definitely be decided at the December meetings and will be announced in the next newsletter.

We welcome all interested persons and there is no charge to attend.

Bring a friend and come join us.
Jeanette Keyes #235 & Leslie Walls

Friday Nite Movie...

Our December 20th featured film of the month will be **Red**, starring Bruce Willis, Helen Mirren, Morgan Freeman, and John Malkovich.

The Plot: Retired CIA members are being hounded by the current CIA for a long past assignment. The film is well done with humor and the cast relates together.

Come join us with your comfy chair! It's a great way to relax on a Friday evening!

Quad/RZR Squad...

Welcome back if you have just arrived. The Sundance Quad/RZR Squad rides once or twice a week out in the desert. Dates are usually decided by the group at Monday morning coffee in the Hole in the Wall. Come join us for a great day in the desert. Any questions contact Larry Shinn at Site 260.

Hula with Priscella...

Hawaii: "The loveliest fleet of islands that lies anchored in any ocean" - Mark Twain

Ah, with Thanksgiving behind and Christmas ahead, what better place to take our thoughts than to balmy air, palm trees, and hula dancers....besides Casa Grande, of course!

Come join me for your Hawaiian hula experience starting on Wednesday, Jan. 8th, 1pm-2pm in the HW (big clubhouse). It will be time to kick off your shoes, put the holidays behind, and get in a tropical mood.

"Pearly Shells" is first on the dance list this season, with a little surprise thrown in later... This is the tune that C&H Sugar borrowed to use on its commercials...C&H...C&H...pure cane sugar..pure cane sugar.from Hawaii ...from Hawaii...growing in the sun...Does that bring back the memory of the tune?. This hula has easy moves, making it a perfect first hula for those who are beginners.

Stop by the Activities Office to sign up for fun, good company, and an exercise for your "little grey cells" and a healthy body.

Hula class ladies may perform at the Sundance Variety Show in March, if they wish. Looking forward to our hula experience!

Mele Kalikimaka - Merry Christmas and a Happy New Year! Priscella

"Aquire" to Perform

Come see the Casa Grande singing group "Aquire". They have performed locally for many years. They will be sharing their Christmas music with us Sunday, December 22 at 2:00 PM in the Hole in the wall. It is donation only, and refreshments will be provided by Activities.

Crafty Ladies...

Welcome back to those of you just arriving. We have been crafting on Monday from 1-4 pm and Friday from 1-3 pm for over a month now. If you are new to the park and would like to join us, we would love to have you. Either bring a craft you like to do or just come and see what everyone else is doing. If you have any questions, contact Jackie Shinn at Site 260.

RESORT REMINDERS

If calling from within the park on the park's system, you only need 2+ the site number you are calling. If your site number is only two digits, add a 0 before your site number—2029 for site 29. If calling from your cell phone, you need 520-876-2+ the site number. If you get an intercept tone when calling someone, that site chose not to have a park phone.

Watch *Channel 38* on the Park's Cable TV for the latest activities, events, schedules, photos.

Arizona Group Travel...

Hi all.

WELCOME BACK. It is so good to see so many here already & are looking forward to working with & for you once again this year. With this new company we will use Corporate busses as we did with ESP4U. We are so glad, as they are good busses & drivers. These are luxury coaches with restrooms. With this company we need 40 people to make any trips go as these trips are for us only & NO stops in Phoenix.

Keep in mind that people from outside Sundance are always welcome to go with us & SallyJo has graciously let us have spaces for people to park. These people must sign up on our list with ph.# & address so we are able to contact them. We are very sad to say we had to cancel Botanical Garden Extravaganza as we did not reach the minimum of 40 people.

Sat. Dec.14th Sedona Christmas trip with festival of lights, shopping & buffet at Los Abrigados is a go. Chistmas in Sedona is beautiful & all will enjoy.
