SMOKE SIGNAL

From the Manager's desk...

This is a reminder that if you are here at Sundance this season with a three month or longer reservation and you wish to reserve your current site for next season, you must do so prior to March 1st. This reminder is for ALL monthly guest and those with RV Annual reservation. This does not include Park Models.

From March 1 through March 14 we are accepting reservations from those who have been bumped by another guest or by management to allow for a new annual RV or for a new Park Model. Starting March 15th we are accepting all reservations. We encourage all guests to stop by the office to talk about your reservation needs.

Weeds are a real problem this season. Please keep your site weed free. Remember if you book your site by the year, you must have a caretaker to watch your property when you are not here.

For those of you who buy cable or telephone from the park, please only pay for the amount of time you will need the service.

If you have quit smoking, congratulations! Keep in mind that No Smoking in all buildings goes for e-cigarettes—the same as regular cigarettes. For those who still smoke, please do not leave your cigarette butts on the ground.

All Park Model owners — please check your Park Model to see if it needs some TLC such as washing, waxing, painting of strips or repairs to steps.

We tried to give everyone a copy of the pet rules. If you were missed, we do apologize. Please come to the office and we will be happy to give you a copy.

Steve and Sally Jo Johnson, Managers

This park is like heaven to us so please do not drive like Hell through it.

Sundance thanks Doug's Laptop for uploading the Smoke Signal to our website.

Sunday Worship & Fellowship...

Sunday Worship and Fellowship Church service is at 8:30 AM each and every Sunday in the Hole-in the wall. Pastor Scott Bailey will lead us in worship again this year. **Com-munion is held the first Sunday of each month.** Coffee will be provided before Sunday services.

We are asking all of the wonderful folks here at Sundance help with a season long food drive, by bringing cans of food items to the activity office for the Casa Grande food bank. We also give money to the food bank to get things for the needy as they can buy in bulk of the things they need most, like beans and rice. Ray and Shari visit with the food bank folks at the end of our season to find out where our church can help with their needs. The food bank is one of many out reach projects our church has in place.

As in the past years, this year we are having our school children's underwear drive. Sizes are girls 6-16 or small ladies sizes, boy's sizes 6-16. Drop off site is in the Activity Room (laundry basket marked for this use) we will have this underwear drive all winter. This will be helping the Casa Grande school children. If you have any questions ask the host on duty, call me, or drop by my site (267). Please help with this project.

Our third project is getting items for the Casa Grande school nurse's systems, this is done three times a season.

The Casa Grande Hospital Children toy drive went off great. These toys are given to children who are in the hospital to make them feel better.

Our last church service this season will be April 5, 2015

Thanks everyone for your
SUPPORT

How often have you wished you could remember what Grandma of Grandpa told you about their youth, those good old days? Well, these will be your 'good old days' to your grandchildren. Come to our group. Listen to our stories that are being read. Some fun, some sad, but all (well almost all!) interesting!! We have a good group and a fun time. Line Dancing...

It gives me so much joy to see all the enthusiasm in class. The new beginners are catching on fast.

Not only does line dancing provide excellent physical exercise, the concentration required in learning new steps is just as beneficial in keeping the mind alert.

Class starts at 1:30, cost is \$1 for residents. First time beginners are invited to join me at 1pm for a one on one warm up lesson. Many find this helpful before the regular class begins.

Line dancing is fun, it's exercise and it's socializing with a great group of friends. Come and join us, we have lots of room.

The completed R.C. Cars track.

Thanks to Kenny Straub for the photo.

R C Cars..

Well, RC car racing is well underway, most racers are here now, and we have adjusted to our fantastic new paved track. As mentioned last month, we worked as a team to build a new drivers stand, which awaits it's final coat of paint and a few signs as I type this report. To clear up some apparent confusion, this stand is not a spectator stand, but is for RC drivers to enhance their view of the track. We continue to welcome spectators, and suggest that you bring a chair, and sit back a few feet from the safety fence. Join us Monday, Wednesday, and most Friday's at 2:00 PM. Located in the sports complex, between shuffleboard and pickle ball. See you at the track!

2015 Quilt Show at Sundance is Saturday, Feb. 28

Don't miss this year's Quilt Show featuring over 150 quilts crafted by our own talented quilters and those at Fairways, our sister park, too. The quilts and other quilted items will be on display at the Hole-in-the-Wall from 9 a.m. to 3 p.m. on Saturday, Feb. 28th. This is the 4th year. Our combined quilters have been busy creating charity/community quilts that are donated to local organizations. During the show, those will be on display on the fence around the pool area. In addition, there will be assorted quilted items for sale. Come and get great inspiration or just come to admire what your neighbors have created.

Lunch and beverages will be available from 11 a.m. - 3p.m. Freshly-grilled hamburgers or gourmet polish sausage can be purchased for \$6 which includes condiments, chips, a cookie and coffee or lemonade. A snack plate of a cookie and drink can be purchased for \$1.

There will also be a drawing for a quilt. Sundance and Fairways take turns creating the opportunity quilt as a fund-raiser. This year, Sundance provided an amazing queen-sized quilt in the modified Log Cabin design in hues of greens and golds. The quilt was created by Lucienne Colburne and Caroline McDonald with Sherry Cain completing the binding. The quilt is valued at over \$1,000. Tickets are \$1 each or six for \$5. Proceeds from the lunch and raffle quilt are used to purchase fabric and supplies to make quilts for community charities.

Sundance and Fairways are also participating with the Fiesta Grande and Palm Creek quilters who will exhibit their quilts the same day at their parks. Special door prizes will be available. So, come see what our talented quilters have created, then continue your day visiting the other shows.

Attention Everyone!

What are you allergic to? If nothing congratulations! However, if you have allergies you know how bad they can make you feel! As we all get older our sense of smell is greatly affected especially by things that we all used to love.

Remember how romantic aftershave on your man or perfume on your lady made you feel! WELL not anymore. Many of us in the park get headaches (yes actual ones) or WORSE from the chemicals in the perfumes, lotions, soaps, etc. We also are affected by any fragrances, even from flowers! Please, if coming to any public room, do not use scented lotions, aftershave, perfumes etc. as you never know when you'll be asked to kindly wash it off. We love you but your fragrant smell is killing us! Remember if you have used it for a long time, you can't smell it on yourself but others can smell you as soon as you arrive and long after you are gone!

Cut this **Emer-gency** block out and put on your refrigerator or some other spot near your phone that is easy for you to know where it is.

Don't forget to write in your site number!!
